South Branch Man Killed In Thursday Shooting Incident

A 50-year old South Branch Township resident was fatally shot during an incident at his home Thursday evening, and a Roscommon man has been charged in 83rd District Court with second degree murder in the killing.

Fatally injured was Benjamin Samuel LaBean, 50, 116 Jonassen Road, who was shot outside his home about 8:00 p.m. last Thursday night. Charged with second degree murder Friday morning was Edgar William Kalthoff, 46, Roscommon, who was taken into custody by Roscommon County deputies at the scene of the shooting and arraigned Friday morning.

The suspect was released after meeting \$25,000 bond requirements.

Details surrounding the incident are sketchy, but according to a statement issued by Crawford County Prosecutor John Huss, LaBean was armed with a rifle outside his home at the time of the shooting.

Kalthoff was taken into custody by Roscommon deputies who were aided by Gerrish Township police and turned over to Crawford County deputies shortly after the shooting.

Investigation into the shooting continues with assistance from officers at the Michigan State Police Crime Laboratory in Grayling.

Blood Bank is Coming To The High School

Next Wednesday, May 20th, from 9 a.m. until 3 p.m., there will be an American Red Cross Blood Bank at Grayling High School in the gym.

All of the work normally done by Red Cross Volunteers will be performed by the High School Students under the direction of Coordinators Mandi Stillwagon and Susan Anthony.

The Bank has been carefully planned and organized and is an outstanding example of our young people demonstrating their responsibility and reliability in accomplishing a serious adult operation in a fully competent and effective performance.

The Bank, as always at the High School, is open to all Donors and Mandi and Susan and all the High Schoolers hope this May 20th Bank will be the biggest and best of all the High School Banks so far.

Blood is still in short supply and every pint you wonderful generous Blood Donors can and will give will help save someone's life.

Don't forget, Crawford County Public Transit - Dial-A-Ride - will pick you up and take you to the High School and bring you back home, for free, if you come to give a pint of your precious blood. Just dial 346-5409.

Mark your calendars now - Wednesday, May 30th - 9 a.m. to 3 p.m. - the Grayling High School Gym.

Area Firefighters Battle Weekend Blazes

Firefighters in Crawford County were busy over the past weekend, battling a number of pesky brush fires. The largest was located east of Military Road and south of Hanson Hills where approximately 15 acres were burned over. Fire units from the DNR Grayling office, Roscommon office and Camp Grayling battled the blaze for about three hours.

DNR units from Mio were called to fight a small fire in South Branch Township on Saturday, where less than an acre was burned off Hunter Lake Road.

Grayling Township firemen and DNR units from Roscommon were called to extinguish a blaze on about two acres of property located about six miles east of Grayling between Greenwood Drive and Horseshoe Trail the same day. The fire was believed to have been caused by children playing with matches. Another fire off M-93 and county road 612 burned about 1 1/2 acres.

DNR officials said the fire danger ranged from high to very high at the time of the fires and remind county residents that burning permits must be obtained from the DNR office before fires can be started.

HUD Funds For Housing Rehab

Crawford County Housing Commission is in the final stage of expending its' first year funding of a three year comprehensive block grant. The C.D.B.G. funds are received from H.U.D. in the amount of \$400,000.00. Each year for three years, \$247,342.00 goes for housing rehab work and the remainder goes to Grayling Township, Frederic Township and the City of Grayling for Street improvements.

The Housing Commission has used its' first year funds for the rehabilitation of 24 homes in Crawford County. Some of the rehab work was done on a grant basis while some was done on a 10 or 20 year loan basis. The Housing Commission has also utilized FmHA 504 loan and grants for rehab within Crawford County. To date \$65,000.00 has been expended by FmHA through the Housing Commission to rehabilitate 12 homes.

Sometime in July we will be refunded for our second year on the 3 year grant. In addition we will be receiving a \$304,000.00 one-year Single Purpose Grant to be used for housing rehab. This money will be for low interest loans only. The proceeds from the loan repayment will then go into a fund to be utilized for Economic Development.

We are currently accepting applications for home rehabilitation. Income Guidelines can be obtained by contacting the C.C. Housing Commission at the County Building.

Lake Property Owner's To Meet

Lake Margrethe property owners will hear an update on new zoning laws and law enforcement services at their first association meeting of 1981, on Saturday, May 23.

The meeting, beginning at 10 a.m. in the St. Francis Episcopal Church Hall, will feature appearances by Grayling Township Supervisor Bernard J. Fowler, Sheriff Joseph P. White and other local officials. It is open to the public.

Directors of the group will convene at 9 a.m.

Organized in 1968, the Lake Margrethe Property Owners' Association represents approximately 200 families in the area. It customarily meets on major summer holiday weekends. This year's annual election meeting will be held Saturday, July 4.

Spring Concert May 14th

More of Graylings finest music will be coming your way on Thursday, May 14th at the Joseph Stripe Auditorium. Concert time is 7:30 p.m., you will be entertained by both the High School concert band and the choir.

Several awards will be given out, so it will be an exciting night for all who attend. This will also be the last concert of the year for the seniors. Robert A. Harris, Band Director; Robert Sienkiewicz, Choir Director.

Spring Concert Set for May 21

It's that time of year again! If you are a parent of an elementary school child then you know we are planning a musical Celebration. The Elementary Spring Concert will be held May 21, 1981 at the Middle School Gym at 7 p.m. and will end at 8 p.m. We hope everyone will attend this "Celebration". We have worked very hard to present an exciting, fast moving program for you next Thursday evening. Hope to see you there. Thank You.

THE TOPIC IS 'COMMUNICATION'—Crawford-AuSable School Supt. Dr. Bill Diedrich (right), talks with a group of citizens about their suggestions to improve means of communication in the school district.

According to Kent Reynolds, GHS Principal, the citizens, randomly selected, met on two occasions and compiled a list of ideas to facilitate a flow of information from the schools to the general public and parents and back again.

Reynolds said 10 citizens participated in an excellent discussion on the communications project, then priority rated all the suggestions last Wednesday night for school officials to consider when developing a plan for consideration by the school board. (Joe Schrader photo).

Grayling Beautification Progress

The Grayling Beautification Committee met to hear Mr. James Tomlinson, Architect, from Flint, Michigan explain how communities can organize, plan and act, to achieve effective improvements in the appearance and image of their town not only in the eyes of the residents but of the visitors to the area.

Mr. Tomlinson is a very successful Architect in the Flint

and Southeastern area of Michigan and his presentation was done as a personal favor to the community and to his long time personal friends, Dr. and Mrs. Ralph Steffe. Dr. Steffe is now associated with the Emergency operation of Mercy Hospital and Ruth Steffe is associated with Century 21 River Country Real Estate and is a member of the Grayling Beautification Committee.

Mr. Tomlinson showed slides of what has been accomplished in Northville and Grand Blanc communities at modest cost and how to go about developing an effective local beautification committee, creating practical and satisfying projects, how to stimulate and recruit volunteers, and how to raise money to implement the projects.

There was not full attendance of the Grayling Beautification Committee membership but also quite a few guests. Everyone was impressed and inspired by the potential accomplishments and the practical advice as to effective and enforceable ordinances, the effect of county service club's cooperation, funding by local budgets, grants, donations, recycling programs and the like.

The Committee met to carry on current business and to establish a consensus reaction to Mr. Tomlinson's provocative message. Three gifts of \$25 each were turned over to the Treasurer and the grateful Committee is sending letters of appreciation and acknowledgement to the generous givers.

In addition to our present arrangement with the City of Grayling to share expenses for beautification projects which are approved by the City Council, the Grayling Beautification Committee is hopeful that it will become a budgeted adjunct of the Grayling Regional Chamber of Commerce under the Chamber's new organization planning.

There was much discussion of See Grayling on Page 2

GHS Girls Win Herald Time Meet

GHS Coach Marilee Cheney's girl's track team Monday afternoon won the Herald Times Invitational meet in Gaylord for the second year in a row.

Grayling ran off with the event with 96 points in the five-school meet, Kalkaska finished in second with 67 points. Manclona picked up 31 points, Gaylord and Gaylord St. Mary scored 20 points apiece.

Full results in next week's Avalanche.

Pony League Registration

Registrations are being accepted from any boys or girls, ages 13, 14, or 15, who wish to play Pony League Baseball this summer. For more information, call Tom Trenary at 348-7290, or Ernie Balch at 348-7564.

Camp Grayling Training Dates

The two week training period June 13 to the 27 marks the beginning of major summer encampment periods at Camp Grayling, according to a schedule released by the office of Camp Commander, Col. JR Lippert.

The Ohio Buckeye contingent of 3,423 troops and support units will be in for the June encampment.

From June 27-July 10, 2,092 U.S. Army Reserve troops from Michigan participate in training exercises, followed by the largest contingent of the summer, the Michigan National Guard group, numbering 7,415 troops. Their encampment period will run from July 11 to July 25.

A second Ohio training squad will train from July 25 to August 8, consisting of 3,278 guardsmen from the Buckeye State.

Indiana will bring 5,039 troops to Camp Grayling from August 8 to August 23, winding up major encamp-

ments except for a Canadian group of 95 who are here August 22-September 2.

Local troops began training May 9 and will conclude May 23rd. This includes 351 guardsmen assigned to Camp Grayling.

Currently, regular army soldiers from Ft. Knox, Ky. are undergoing training and will leave May 14. The Kentucky group has averaged 615 troops.

Kirtland's Warbler Tours Set

Starting in mid-May each year hundreds of wildlife enthusiasts from throughout the U.S. and some foreign countries journey to Michigan hoping to see a Kirtland's warbler. This small, colorful songbird is an endangered species, and nests only in areas of the northern part of Lower Michigan.

To protect the habitat and assure maximum nesting success, public entry into the areas is not allowed from May 1 to August 15 each year. Warbler watchers may seek to see the bird and view nesting areas only by participating in guided tours conducted by the U.S. Fish and Wildlife Service (FWS) and the U.S. Forest Service.

This year free tours will depart from the Michigan Department of Natural Resources Field Office at Grayling, Mi., and from the U.S. Forest Service District Ranger Office at Mio, Mi. The tours will begin May 15. They will be offered daily at 7 a.m. and 11 a.m. from

Grayling, and at the same times daily EXCEPT Wednesdays from Mio. The Grayling tour will end on July 4, and the Mio tour will end on July 11.

Leonard Schumann, FWS senior wildlife biologist at East Lansing, Mi., points out that an actual sighting of a Kirtland's warbler is not guaranteed. The average date when the first warbler arrives at the nesting sites is May 12; the latest recorded date of the first arrival is May 20. Thus, the

chance of seeing the bird during the early guided tours is less than optimum, says Schumann, adding that the best period for seeing the warbler is during late May and the month of June. The chance of a sighting diminishes after July 1 because the birds are essentially finished nesting and thus are less active and less vocal.

Schumann says that participants are encouraged to bring binoculars or spotting scopes. See Warbler on Page 2

Telephone Reassurance-What Does It Mean? What Does It Do?

Telephone Reassurance is called the "Life-line for the Live alones", and many senior citizens, with health problems, live in our area, have no families living here anymore and no one to check on them daily.

For this reason, we have the Telephone Reassurance program, if you so desire it. In this program, a dedicated person (either another senior citizen or a housewife, who has small children and wants to help in some way, but can't leave her home), calls you each and every day (seven days a week) 10:00 a.m. to chat a minute and be assured that you are O.K. There is no charge locally for this program. In some areas, they charge \$12.00 to \$20.00 a month for this service. The callers are volunteers and co-ordinated through the center.

In the past couple months 2 different persons have quit Telephone Reassurance because they say, "we are too nosey if they must tell us if they are going away." Yes, That's it if you want Telephone Reassurance, you must tell your caller, that you won't be home on a specific day, so she doesn't keep calling you and then put the whole emergency system in operation, when you fail to answer the phone at 10:00 a.m. I can tell you of 3 specific cases where we no doubt saved a life - I'll relate one - The Telephone Reassurance caller, called as usual at 10:00 a.m. - no one answered. She called again

at 10:05 - no answer - she rushed over. The lady had been hemorrhaging since before 7:00 a.m. and was too weak to go to the phone. She called me - I hurried over and called the ambulance to take her to the hospital. While we were waiting for the ambulance and I sat by her side, she took my hand and said, "Lora, I wasn't even worried, I knew someone would come at 10:00." Isn't that Telephone Reassurance? She went to the hospital and received treatment. See Telephone on Page 2

Retired Teachers Get Together

The annual get-together of the retired staff of the Grayling Schools and 20-year members of the school system enjoyed dinner and an evening of visiting on Saturday, May 9, 1981. The event was hosted for the second year at the home of Bob and Fay Bovee and it is hoped to make this a yearly spring event. Thirty-two people attended the buffet supper, most of the food being prepared by the new River Valley Foodland. Completing the meal was a cake decorated with the usual red schoolhouse and appropriate retirement pastimes. The cake was made by Julie Thayer Houlton.

Guests from out-of-town were Mrs. Ivah Curie, Holly, Mr. and Mrs. Ralph Miller, Traverse City; and Clara Sales, Timberview Village, Frederic. Other guests were Mr. and Mrs. LeRoy Akers, Mr. and Mrs. Frank Bond, Mr. and Mrs. LeRoy Christian, Elmer Fenton, Mr. and Mrs. Bob Funck, Mr. and Mrs. Carl Hatfield, Mrs. Jean Gothro, Mrs. Evelyn Klein, Mr. and Mrs. Wes Kumpula, Mr. and Mrs. Floyd Millikin, Mrs. M. Milnes, Mr. and Mrs. Joseph Stripe, Mr. and Mrs. Art Thayer, Mr. and Mrs. Jack Trudgeon, Mr. and Mrs. Harold Christian of Lansing, also attended.

Armed Forces Day May 16th

On Saturday, May 16, the Nation will celebrate Armed Forces Day. For some, this day will pass without notice, while many others will participate in special events such as parades or open houses held to mark the occasion.

We in the Air Force are proud of our heritage and our role in keeping America free. We take pride in sharing our experiences and showing you our way of life on this special day.

The theme of this year's Armed Forces Day is "The U.S. Armed Forces—Strong and Ready." Air Force men and women are dedicated to this principle and to their country, and they are willing to sacrifice. The Air Force is not a job or just a career. It's more than that—it's a way of life. Most think it's a great way of life.

Decisions made since the Korean war require a large standing U.S. military force. Today, the number of people on active military duty exceeds two million. But there are some people who have a misconception about service in the military. It is not a typical 9 to 5 job. The defense of the United States cannot be a part-time operation—it is a 24 hours-a-day, seven-days-a-week profession.

Oranges

Islamic armies left a trail of orange trees with the expansion of the Arab Empire (A.D. 570-900), and the crusaders took sour oranges back to Northern Europe during the Middle Ages.

Columbus planted the New World's first orange trees in Haiti on his second voyage in 1493, and Pizarro gave the orange to Peru in the 50's.

the Business I-75 paving project and its effect upon the space between the curbs and the sidewalk. Mr. Jerry Morford informed the Committee that that area would be up to the City and what the Beautification Committee would propose and could find a way to accomplish the desired project.

There was an almost universal consensus that the ideas generated by Mr. Tomlinson's presentation should be implemented by establishing a program for studying and defining practical long range beautification projects which would be strongly supported by the citizens of Grayling, the business and professional

community, the service clubs and similar organizations, which can be programmed and achieved over the next five years, and that such a long range planning activity to be constantly updated and projected for a future five year period.

The final, and most exciting current news, is that the week of May 17th is to be designated "Clean Up Week" and Friday, May 22nd is to be "Pride Day" when the streets will be swept and maybe even scrubbed to awaken Grayling to the fact that it is US, the Citizens of this Town who are going to have to clean up our own areas, and keep them clean, if the residents of Grayling and the surrounding Township can really be proud of where we live.

Warbler

(Continued From Page 1)

He adds that the playing of recorded warbler singing is not allowed, and special efforts will not be made to accommodate photographers. The tours are conducted to minimize disturbance.

Tour guides prefer small groups because they create less disturbance, and participants are more likely to see the bird. No reservations are necessary for individuals or small groups, but large groups are urged to contact one of the following two offices:

1. U.S. Fish and Wildlife Service, c/o Michigan Department of Natural Resources, Grayling Field Office, P.O. Box 507, Grayling, MI 49738. Phone: (517) 348-6371.

2. U.S. Forest Service, District Ranger, Huron National Forest, Mio, MI. 48647. Phone: (517) 826-3717.

Last year 491 wildlife enthusiasts representing 27 states and three foreign countries participated in the guided tours during the nesting season.

Hospital News

The following were among those admitted to Mercy Hospital during the past week: Tamara Rasmussen, Nadine Peterson, Jessica Strause, Kevin Kelly, Barbara Laebke, Harriett Hatfield and Beri Ann Kurk all of Grayling; Charles Papenfus, Veda M. Smith, Edward Dubey, Frances Meyer and Deborah Horn all of Roscommon.

Those discharged were: Jim Spencer, Tamara Rasmussen and Dwayne Harman Jr. all of Grayling; Fred Hochstetler, Veda Smith, Myrna Hissong and Maude Fishell all of Roscommon.

Joel and Tamara Rasmussen of Grayling gave birth to a baby girl on May 3, 1981.

Raymond and Paula Farrington of Roscommon are the proud parents of a baby girl, Jamie Lynn, born May 7, 1981, weighing 8 lbs. 9 1/2 ozs.

ment. After a few weeks returned home. What if the caller had just said, "oh, maybe she went away" and had never followed up?

We don't do that - we call-back and then if no answer, contact your contact person who has a key to your house (we don't). If they aren't home, we contact the police, and meet them there. Naturally, no one wants to break in a door, but to rescue someone who might be in a coma, a broken hip from a fall or like the above lady, who was hemorrhaging, wouldn't it be worth it to save a life. Do you see the necessity of letting us know that you won't be home at 10:00 a.m. when your T.R. person calls?

We must be firm-if you want Telephone Reassurance-we must know when you will be gone-where, we don't care, but WHEN-YES.

If you or someone you know needs this service, call us at 348-9314. It could save your life by eliminating your waiting for medical aid.

From Our Corner ...

Our Corner will be fairly easy to turn this week...We're sure all of our readers are aware of the upcoming Proposal A election on Tuesday, May 19th, this is a Proposed Constitutional Amendment, meaning that once it is voted in it becomes a part of the Constitution of the State of Michigan, and the only way it can be rescinded is by vote of the populace, and before that a petition drive has to be made to get it on the ballot...we remember when Con-Con was voted in by the big city voters...since then the Northern part of Michigan has had little to say against the metropolitan cities in the southern part of Michigan...and this will never change, we are stuck with it.

The change in the sales tax from 4% to 5.5% is another part of the election that will saddle the citizens for ever...this is not just for a couple years...it also is a part of the Constitution to be voted on...which will be another monkey on your back...we think the proposal needs a lot of going over to satisfy out-state Michigan...

During the few days remaining until the election, read up on it...the downstate papers are telling it the way it is...we urge you to vote No on the Proposition but what ever you do exercise your rights and go to the polls, Tuesday, May 19th...

While we are on state matters we would like to pass this little diddy along...

It was refreshing to us to read how much trouble our legislatures had recently is coming up with the name to call people who reside in Michigan...should it be Michiganders...or should it be Michiganians...seems as if the House and Senate do not quite agree on the name...Joseph Forbes, D, of Oak Park tossed in another name, he stated, I think we should use a very legitimate Jewish word — michigos, "That means, 'who needs it?'"...this must be things our leaders do, to get away from the tedious job of law making, and spending our money...

Another tid bit from the Las Vegas Sun: You know you're in trouble when...you see your stockbroker hitchhiking out of town...

We had the May 11th issue of Time Magazine passed on to us Monday which had an article in it giving Grayling a little national ink...the article was about the bankers, businessmen, oilmen and farmers who met recently about the oil and gas drilling in Northern Michigan, the following is part of the article..."The artifacts of power and prestige in the Oil Game are also turning up. Three weeks ago, 230 oil-and gas men, Detroit business executives, out-of-state bankers and local farmers gathered at the Holiday Inn in Houghton Lake to celebrate, with a Southern-style pig roast, the start of drilling in a gas well that may go as deep as 20,000 near Falmouth in Missaukee County, almost twice the depth of any other well sunk so far in the state. Meanwhile, the corporate jets that brought them to Houghton Lake waited wingtip to wingtip at nearby Grayling McNamara Airport to whisk them back out again at nightfall...every little bit of ink helps..."

We ran into our moon-faced friend out at Southend Total Saturday when we picked up a cousin of ours off the bus to spend the weekend here before going to Mackinac Island where he will be the broiler chef at the Grand Hotel this summer...anyway we're beginning to think John tells us not to write about us going to Traverse for Mother's Day, because that is about all we write about, just so he can get his name in the paper...so we will ignore his remarks and let our readers know that we did spend the weekend in T.C. with T.J., Stef, their black pony and folks...it seems like you can't go anywhere with out running into friends...we were having brunch at the Embers, and said hi to the Cal Brenners of Lake Margrethe and friends...

Space and time has run out for this week...all we wish to do is remind you to vote Tuesday, May 19th, and above all check before you vote...ours will be No this time around, something better may follow if this one is defeated...have a nice weekend, think summer, we all need it...good night T.J., Stef and Amber...we're headed for the shack...

It's your return that counts!

A raging forest fire blackened 500 acres in Crawford County last Monday while 15 power units and hundreds of fire fighters fought to contain it.

The blaze apparently started as a small grass fire near the Stephan Bridge Road about five miles south of M-72.

The blaze traveled southwest from the road and was finally stopped at a county road west of Pere Cheney where it ran into smaller trees and the road gave the fire battlers a base of operations.

About 200 men fought the fire from equipment and right on the ground in the face of the ever advancing flames. They included National Guard personnel, high school students, private volunteers, inmates from Camps Lehman and LaVictorie as well as Conservation Department men.

Mr. and Mrs. Harvey Rowland and family drove to Vassar to visit his parents, Mr. and Mrs. Harry Rowland, over the weekend.

Mrs. Joseph Stripe and daughter Cathy accompanied a group of eight senior girl scouts from Rogers City and their leader, Mrs. Stripe's friend, Mrs. Louis Hornbacher, on a canoe trip down the AuSable last weekend.

Mrs. Gene Papendick entertained the Birthday Club at her home Friday night, honoring Mrs. Rolla Failing.

Mr. and Mrs. Derek McEvers of Detroit spent last week visiting their parents, the Harry McEvers and the A.J. Sorensons.

Friday evening Joe Cinciala, Harry McEvers, Russell Vallad, and Clinton Bancroft left for Trout Lake, Canada, to spend ten days fishing. They were joined on Sunday by Jack Papendick, Bill Leng, Art Worden, Wesley Canfield and Emmie Kratochvil.

Mr. and Mrs. Dale Pettengill and daughters Priscilla and Janey drove to Perry Saturday to visit Mr. Pettengill's sister and family, Mr. and Mrs. M.C. Spalding and his mother, Mr. and Mrs. J.B. Allen, on Mother's Day.

Mr. and Mrs. William Horn of Saginaw arrived Tuesday to visit their daughter and family, the Don Jansens, for some time.

Mr. and Mrs. Clarence Gross and daughter Carole spent Sunday in Saginaw with their daughter and family, Mr. and Mrs. Reginald Ashton and son Dale. They were accompanied by Mr. and Mrs. William Heric, who visited their daughter and family, Mr. and Mrs. Charles Duncan.

The City of Grayling, this past Monday morning, repainted all of the parking lines on Michigan Avenue.

A new paint job has been applied to the Stephan's Canoe Livery.

The Bible Speaks

From Calvary Baptist Church

Introduction to Romans

By God's Grace we shall study together verse by verse the epistle of Paul to the Romans. It has been stated that every great spiritual awakening had its roots in the book of Romans. "The just shall live by faith," from Romans 1:17, became the theme of the reformation. Great men like Martin Luther and John Wesley gained assurance of their faith from the book of Romans. Please join us in prayer that God will use His precious word to bring salvation to many souls in Grayling, and edify others who are already in the faith.

Paul as author of Romans is introduced in verse 1. "Paul, a servant of Jesus Christ, called to be an apostle, separated unto the gospel of God." Notice Paul's highest and most blessed earthly privilege is to serve Jesus Christ. As a servant, Jesus Christ has called him to be an apostle. This exalted position involved a mission. As an apostle, Jesus Christ had separated Paul unto the sharing of the gospel of God. The gospel

of God is the good news of salvation made available to mankind through the finish work of our Lord Jesus Christ.

The gospel of God in the New Testament is in reality the fulfillment of God's promises in the Old Testament. "Which he had promised afore by his prophets in the holy scriptures." Verse 2. You have perhaps heard the old expression, "The New Testament is in the Old contained; the Old Testament is in the New explained." All of the Old Testament sacrificial system pictured and pointed to Jesus Christ who came to end sacrifice for sin by the sacrifice of His own body on the cross. Read Isaiah, chapter 53, to enjoy the proper meaning of this verse.

The content of the gospel of God is the person, word and work of His Son. "Concerning his Son Jesus Christ our Lord, which was made of the seed of David according to the flesh." Verse 3. Our Lord Jesus Christ, the eternal Son of God took a body of flesh from the line of David so he could fulfill the Old Testament promises concerning His rule from the throne of David.

While Jesus Christ took a human body, He in no way ceased being God. He became perfect God/man. "And declared to be the Son of God with power, according to the spirit of holiness, by the resurrection from the dead." Verse 4. By the historical fact of the literal, bodily resurrection of our Lord Jesus Christ from the dead, His deity as God is proven. Jesus said in John 10:18 that He had power over His own life and death. No one could kill Him unless He gave up His life and no other person was needed for Him to receive life back into His own body. He had that power! The testimony of "the spirit of holiness" attests to the fact His death had conquered sin, death and Hell without violating God's holiness. Hallelujah, What a Savior! (adv.)

Lovells News

By Ruth Caldwell

Margaret Douglas & Hugh Bitters spent Sunday with the Tom Douglas family in Traverse City.

Mr. and Mrs. Clarence Beaufait returned home after spending the winter in Florida.

Senior Citizen Day is Tuesday, May 19th, at the Town Hall, starting at 11:30, dinner at 12:00. Come and have your blood pressure checked.

Mr. Wally Leibold is a patient at Mercy Hospital, his many

friends wish him a speedy recovery.

Mr. and Mrs. Fred Schatte returned home after spending the winter in Florida.

Mr. and Mrs. Fred Koerke were guests at the home of Mr. and Mrs. Robert Solem in Suttons Bay on Sunday, while there they helped their son Tom celebrate his birthday.

On Friday evening Mrs. Margie Harwood had an open house honoring her son Todd's graduation from Kirtland Community College.

Dr. Walt Leibold of Detroit spent the weekend with his parents, Mr. and Mrs. Wally Leibold.

The Cheerful Givers Club will meet on Thursday evening at 7:30, at the club room. Anyone having articles for the rummage sale please leave at the club house. The rummage sale will be held on Saturday, May 23rd.

Obituaries

Local Woman's Son Dies

Karl J. (Mick) Mavis, 49, of Harrison, passed away on May 4, 1981 in Clare. Funeral services were held on Thursday, May 7, 1981 in Harrison.

Mr. Mavis was born on December 21, 1931 in Detroit and had resided most of his life in the Harrison area.

Survivors include his wife, Charlotte; two sons, Mike of Lansing and Marc of Iowa; his mother, Mrs. Frank Snider of Grayling; two sisters; and one grandchild, and his grandmother.

Census Numbers Now Available

Northeast Michigan's 1980 Final Census statistics are now available from NEMCOG which is an official depository of the U.S. Census Bureau data for the region.

Early figures, which are in printed form, show population and housing counts for all communities in Alcona, Alpena, Cheboygan, Crawford, Montmorency, Oscoda, Otsego and Presque Isle counties. Dwelling unit counts comparing 1970 and 1980 totals are included in the summary.

NEMCOG also has final figures on population breakdown by race, according to the six U.S. Census defined racial categories. This information is presented by county and by local units of government.

As a depository, the Council of Governments will eventually have the complete set of U.S. Census data summary tapes and publications. This information is used for such purposes as public funds apportionment, congressional district delineation, public facilities planning, housing construction, social programs, commercial and industrial facilities location, and private marketing and advertising.

Persons or organizations wishing to obtain data from the census bank should address their written requests to Dr. W. Randolph Frykberg, Executive Director, NEMCOG, P.O. Box 457, Gaylord, MI 49735. Non-members will be assessed nominal charges for these materials.

Largest Flower

Tigers, elephants, leopards, rhinos, and orangutans live in the vast rain forests of Sumatra. So does the world's largest flower—the 36-inch-wide rafflesia—which can be detected by its scent more than 75 feet away. It smells like a dead rat.

Landscaping Can Cut Fuel Costs

Planting trees and shrubs around your home can help to reduce heating costs.

"An unprotected home loses much more heat on a cold windy day than on an equally cold still day," says Buzz Long, District Conservationist for the Soil Conservation Service in Roscommon. "Well-located trees and shrubs can intercept the wind and cut heat loss," says Long.

"Up to one third of the heat loss from a building may escape through the walls and roof by conduction. Wind increases the convective air currents along outside walls and the roof, thus increasing the heat loss. Infiltration or air leakage can also account for as much as one-third of heating losses in some buildings. Outside air flows in through cracks around windows and doors, and even through the pores in the walls," says Long. "Both windbreaks and foundation plantings can cut down this penetrating power of the wind."

"Studies of windbreaks show that they can reduce fuel consumption by 10 to 30 percent. The amount of money saved by a windbreak around a home will, of course, vary depending on the location of the home, what the house is built of and how well the house is weatherized and ventilated," says Long.

"Windbreaks or 2-5 rows of trees generally provide good protection with evergreen trees providing the best protection." "With every increasing energy costs, homestead windbreaks are certainly something to consider," Long added.

The Crawford-Roscommon Soil Conservation District is presently selling evergreen seedlings. These seedlings can be ordered through April on a first-come, first-served basis. For further information, call 275-5231 or stop in at the Centre Office Building, 409 Lake Street, Roscommon.

To Receive BA Degree at Alma

ALMA—James Clark of Frederic is among the 250 candidates for bachelors degrees who will be eligible to participate in Alma College's 94th year Commencement on Saturday, April 18. Also eligible to participate in the Commencement ceremony are 32 people who completed degree requirements in December.

Jim, son of Mr. and Mrs. James Clark, Rt. 1, Box 217, Frederic, is an English major and a candidate for a bachelor of arts degree in April.

Nursery School Round-Up

The Grayling Co-operative Nursery School is pleased to announce that it will be holding its Nursery School Round-up on Wednesday, May 20th, from 6:30 to 8:30 p.m. and again on Thursday, June 18th, from 6:30 to 8:30 p.m.

The school offers a preschool program for children 2½ to 5 years of age. The school is licensed by the State of Michigan and is taught by a teacher certified in Elementary School education. The school is administered by a seven member Executive Committee composed of parents.

Anyone interested in the school is invited to attend the Nursery School Round-up. Children are welcome to attend with their parents. The school is located at 306 Plum Street. For more information about the school please call Linda Northrop, Membership Chairman at 348-5639 or Marilyn Rosi, President, at 348-5189.

AARP to Meet

The May meeting of the American Association of Retired Persons, Inc., will be held on the 18th at 2 p.m. at the Senior Citizens Center.

Come, bring a friend, and meet your new president, Angela Kirkum.

An interesting program is being planned, and June Feldhauser's guitar class will entertain. Refreshments will be served. Hope to see you all there.

Scholarships Established at Kirtland

A scholarship fund is being established through the Kirtland Community College Foundation Board in memory of Mildred DeBolt, in recognition of her faithful service and devotion to her students and the college.

Mrs. DeBolt was an English instructor at Kirtland for the past eight years, until her recent death. The scholarship will provide an annual academic award for deserving students.

If you would like to contribute to this scholarship fund, please make checks payable to: The Mildred DeBolt Memorial Scholarship Fund, c/o The Kirtland Foundation, Route 4 Box 59-A, Roscommon, Michigan 48653.

Gifts to this fund are tax deductible and will be greatly appreciated, whatever the amount.

MAKE MAPS OF MICHIGAN—Mr. Hayes' fourth grade made maps of Michigan. On the maps they have places and also the state flower, state fish, stone, state tree, etc. They were put on the bulletin board down by the office. At the top of the bulletin board, it says, "If you seek a pleasant peninsula, look about you."

Tom Ellingboe, Cathy Rizzo, and Deanna Phelps are shown holding their maps, which were judged to be the best ones.

Jill Brackenbury, left, Heather Watts, second from left, and Kelly Springer, right, are the fifth grade students from Mrs. Bovee's class who have been responsible for the majority of the Grayling Elementary School news during the school year of 1980-81. The girls have interviewed the principal, teachers, staff, and other students to gather information for their articles. The school, community, and their parents should be proud of them, students who were able to assume this type of responsibility and contribute so much to the communication between the school and the public. We are proud of them. by Gina Dolan, Heather Watts, and Jill Brackenbury. Photo by Mr. Hayes.

IN MEMORIAM

In loving memory of T. Barton Wakeley,
 You are not forgotten loved one
 Nor will you ever be.
 As long as life and memory last
 We will remember thee.
 We miss you now,
 Our hearts are sore
 As time goes by,
 We miss you more,
 Your loving smile,
 Your gentle face
 No one can fill your vacant place.

Parents Helping Children

Peter Ingvarsson
 We've talked about television quite a lot because television is almost always there. I've talked about several things that are leading up to making good choices for TV watching. This also helps develop critical thinking skills for school and adulthood.

Up until now I've outlined three thinking strategies parents can use with children observing, recalling and noting similarities. Now I will outline noting differences, the last thinking strategy.

Noting differences happens naturally if you've already looked for similarities. Given the example of Buck Rogers and Ralph, the Greatest American Hero, have your child recall everything he can about each individual program. Make a list of remembered facts for each program. Now your child can look for any differences between the two such as one show takes place in the future and one in the present. One person can fly and one can't. The next activity will help you use all the strategies to make some critical thinking decisions.

Start a TV schedule for you and your child. Keep track of the shows you both have watched for three days. Discuss the list with your child. Recall what each show was about. Talk about how the shows were similar. Then go into how they were different. This will lead into what was good or bad about each show and some decisions about what shows you like the best. This process can be helpful when you've decided it's time for the family to watch less television.

If you'd like some practical tips on reading at home, I have some help for you. It's a booklet called Encourage Your Child to Read. You can get a free copy at the school board office on Michigan Avenue across from the Methodist Church.

Neil Diamond Special May 17

Neil Diamond sparks three hour special May 17th on WQON-FM Radio. WQON and the ABC Contemporary Network present "The Neil Diamond Special" a program spotlighting the singer's outstanding career...on Sunday, May 17th at 1 p.m.

Multitalented Neil Diamond has been a successful composer, recording artist, and concert performer for nearly two decades. His music has been recorded by a wide variety of stars including Elvis Presley and Frank Sinatra. Critics agree that in concert, Neil Diamond gives one of the most dynamic live performances ever to be seen and heard. The Neil Diamond Special reviews the singing star's career from the early days of "Solitary Man" and "Cherry, Cherry" through the autobiographical "I am...I Said" right up to his current hits "Hello Again" and "Love on the Rocks" from the film "The Jazz Singer". In addition to the musical selections, the Neil Diamond Special features interviews with Neil Diamond himself and several important industry associates.

Listen to 100 FM WQON, Sunday, May 17 at 1 p.m. for the Neil Diamond Special, three hours of great music and commentary. You won't want to miss the Neil Diamond Special, one of the most outstanding artist profiles of the year...and only on WQON-FM.

Services Held For Mary Cruickshank

Mary Matilda Cruickshank, 85, died Saturday, April 18, 1981 in Grand Rapids, after a long illness. Funeral services were held Thursday, April 23, 1981 in the Pollock-Jouett Funeral Home.

Mrs. Cruickshank was born October 2, 1895 in Yale. She lived on Shaw Park Road in Grayling after her retirement in 1965, moving here from Port Huron.

She did volunteer work for the Cancer Drive, Meals on Wheels and the Hospital Auxiliary.

Survivors include her daughter, Mrs. Glen (Mary) Erard of Grand Rapids; three sons, Donald G. and David A. both of Marysville and William E. of Clawson; 14 grandchildren and 15 great grandchildren.

RSVP Recognition Dinner

CARNATION SERVICE AWARD is being presented to the Grayling Business and Professional Women's Club by the Chairman of the Advisory Council of RSVP, William Commons on far right, also pictured from left are Mrs. Carl Craft, Mrs. Carrol Wert and Mrs. Don Geiss. (Joe Kessler Photo)

The 8th Annual Recognition Dinner of the Retired Senior Volunteer Program was held at the Holiday Inn on May 8, 1981. Senator Mitch Irwin was the guest speaker.

The Carnation Community Service Award was presented to the Business and Professional Woman's Club of Grayling for their service to the community. The award also represents the organizations emphasis on volunteers activity. William Commons, Chairman of RSVP Advisory Council presented the award to Mrs. Maxine Geiss, President of the club.

Al Schreiner, Vice-Chairman of the Advisory Council awarded 1st year certificates and pins to 24 Retired Senior Volunteers. Gold seals indicating the number of years of service were presented to 158 volunteers of RSVP.

Ms. Mattie Lowe contributed the greeting and Elmer Fenton gave the invocation.

Wrestlers Cop 10 Freestyle Medals

Ten Grayling wrestlers brought home medals Saturday from the Freestyle Wrestling Tournament sponsored by and held at Traverse City High School.

Capturing first place medals were Jamie Knight (85 lbs.), Tim Moore (80 lbs.), Dan Mel-drum (114 lbs.), Barsie Cross (155 lbs.), Tim Ferrigan (142 lbs.) and Jeff Knight (177 lbs.).

John Solomonson (154 lbs.) and Tim Jensen (132 lbs.) earned 2nd place finishes, and Joe Knight (155 lbs.) and Chris Conklin (155 lbs.), came home with 3rd place medals.

Freestyle wrestlers from all over the State of Michigan were entered in the meet.

Q: IF I CAN GET A HIGHER RETURN FROM A MONEY MARKET FUND, WHY SHOULD I PUT MY MONEY IN FIRST SAVINGS?

A: INSURED SAFETY AND A GUARANTEED RETURN.

It's as simple as that. With a First Savings Money Market Certificate there's no risk. Your savings are insured up to \$100,000. And the rate is guaranteed for the length of the certificate. With a Money Market Fund it's different. Your money's not insured, so there's always the chance you could lose it all. And in many money market funds the rate of return is not guaranteed. In some Money Market Funds, the rate changes daily. If the rate goes down so does your return. That's why it's important to check carefully before you invest. So the question is really not who pays a higher return today, but risk versus no risk. We think you'll feel a lot better with your savings in a First Savings "No Risk" Money Market Certificate.

in Michigan, can rally. A community will get out of Michigan Week what it puts into it-and more.
Michigan Week is a way in which communities everywhere can get to know their schools, churches, businesses, institutions and government a lot better. It gives us an opportunity to count our blessings, to focus on our Home Sweet Home-Michigan. Our blessings are well worth celebrating and savoring in this week which honors our two beautiful peninsulas.
As we take inventory of our heritage, our livelihood, our schools and the many other facets that make up Michigan, let us remember, with pride, what has already been accomplished-and what still remains to be done.

Thinclads Cop Pine, Oscoda Invitationals

HEADING FOR HOME—GHS runner Diane Lee heads for the finish line in competition Friday at the Oscoda Invitational. The Vikings captured first place in the 7-team event. (Photo courtesy Chuck Kolb).

The GHS girl's track team ran off with a pair of Invitational Championships last week in preparation for a full schedule of competition this week including the Regionals Saturday at Traverse City.
Monday the girls competed in the Herald Times Invitational at Gaylord, Tuesday the squad traveled to Cheboygan for a Quadrangular and Thursday the team will travel north to the Rogers City Relays. Following Saturday's regional competition, the team will compete in the Petoskey relays on Tuesday.
Friday at the Oscoda Invitational, the GHS girls rallied in the last even to eke out a victory against seven Class C schools where only seven points separated the top four teams. Grayling's team of Jill Headlee, Heidi Bendig, Diane Lee and Jean Stevens ran to victory in the mile relay to lift the team to 4 1/2 points, good enough for the win.
Other point winners:
First: Beth Jone (mile and 2-mile).
Second: Lisa Radebaugh (long jump & 110 hurdles), Jean Bitner (high jump), Diane Lee (800).
Third: Diane Lee (110 hurdles), Jean Stevens (440), Lisa Radebaugh (220 hurdles).
Fourth: Headlee, Dawn Weatherly, Shelly Peterson, Radebaugh (880 relay).
Fifth: Jill Headlee (440), Stacy Wolcott (2-mile), Diane Lee (220 hurdles).
"It was close", said GHS coach Marilee Cheney after the meet, "the mile relay team had to win it and they did. The competition should help us get ready for the regionals." Finishing second at Oscoda was Union-Seabawing with 44 points. Rogers City took third with 42.
At the Pine River Invitational on Saturday, the GHS team had an easier time of it, piling up 115 1/2 points to easily outdistance the rest of the six-team field. Baldwin finished a distant second with 84 points.
Point winners:
First: Lisa Radebaugh (110 and 220 hurdles), Beth Jones (mile), Diane Lee (880), Headlee-Bendig-Lee-Stevens (mile relay).
Second: Jean Bitner (high jump), Diane Lee (110 and 220 hurdles).
Third: Radebaugh (long jump), Headlee - Weatherly - Peterson-Radebaugh (880 relay), Jean Stevens (440), Jean Bitner (220 hurdles).
Fourth: Shelly Peterson (100 yd. & 220).
Fifth: Jean Bitner (110 hurdles), Heidi Bendig (shot put), Peterson-Dawn Hawley-Weatherly-Bitner (440 relay).
Sixth: Joan Stevens (880), Lisa Barber (2-mile).
Track teams from Pine River, Kalkaska, Morley-Stanwood, Ewart and Reed City finished 3rd through 7th respectively.

Business Climate To Be Top Legislative Priority

Warren M. Hoyt, Executive Director, MPA

Legislative leaders and the executive office are preparing for possible summer-long meetings that could result in a series of recommendations for legislative action in the fall to help improve Michigan's business climate and increase jobs in the state.

The proposed discussions could incorporate work already being done by such groups as the governor's high-technology committee and small business conference, along with legislative study committees.

The discussions will also examine ideas from other business, labor and academic officials in an effort to develop practical, potentially successful ideas.

Job development was a high priority for all four legislative leaders, House Minority Leader William Bryant (R-Grosse Pointe Farms) said, and there are high hopes that the Legislature's fall session could result in positive laws for business and jobs.

But there should be discussions to "window out impractical ideas, things that haven't worked in other places" before the Legislature returns for the fall session.

Senator Robert VanderLaan (R-Kentwood), the Senate minority leader said these discussions could "roll together all the ideas of the high-tech committee, the small business conference, the full employment plan and come up with some definite ideas for the Legislature."

However, to date, very few concrete ideas on how a summer conference, other than the leadership's commitment to meet, have been made.

The meetings are not expected to be the quadrant approach consisting of legislative leaders and the governor

hammering out differences and then making a proposal to members of the Legislature to concurrence.

Neither would it necessarily be an economic summit among government, business and labor.

Other officials from different areas, including universities, would be a part of the process and Bryant said that legislative staff could study the different ideas proposed from their cost and practicality.

"We're got to have one thing going on instead of the governor doing his things and Republicans doing theirs and Democrats doing theirs," Bryant said.

Sex Education Not Part Of Required Courses

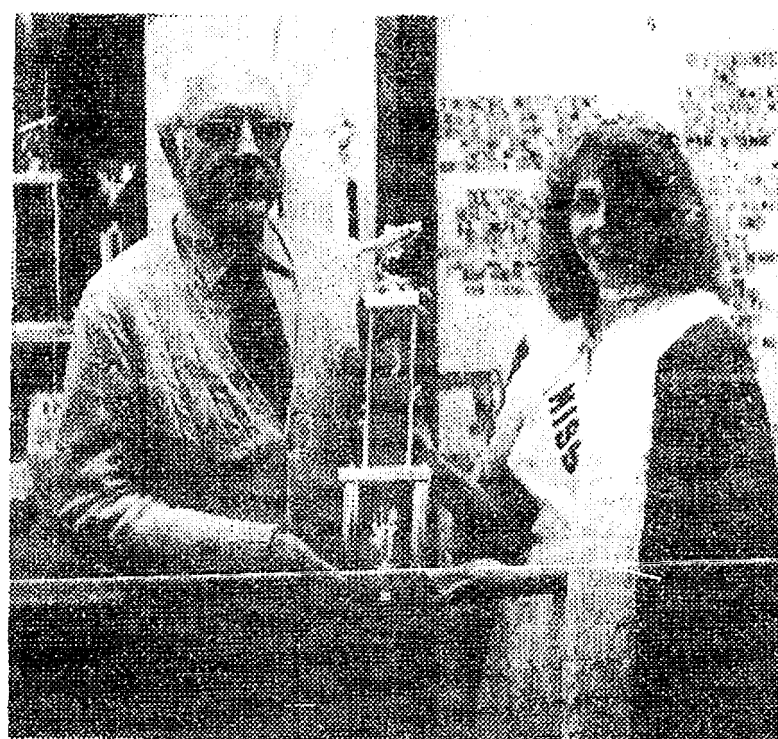

School sex education courses, made optional by a 1976 state law, cannot be taught in required classes, Attorney General Frank J. Kelley has ruled.

He said the law specifically prohibits sex education from being a school requirement and added that the Legislature used the words class and course interchangeably.

He issued the ruling in response to a school district's inclusion in an 8th grade home economics class a unit of sex education. Students were excused from the sex education unit at the request of the parent or guardian.

"The Legislature has expressly provided that parents have a right to review the contents of any course in which family planning or reproduction health are discussed before they exercise their child excused from the class. School authorities may not avoid the effect of (the law) by including any sex education instruction in a required class," Kelley said.

Chamber Float Winner at Kalkaska

Miss Grayling, Connie Keene, is presented with First Place Trophy for Best Commercial Float in the 1981 National Trout Festival Grand Royal Parade, by Kalkaska Chamber of Commerce Director, Harry Gosling.

The Grayling Regional Chamber of Commerce float was awarded a first place trophy for the best commercial float in the 1981 National Trout Festival held April 25th in Kalkaska.

The award was the second in as many years at the Trout Festival and the first time it featured the lovely Miss Connie Keene, Miss Grayling for 1981. The Chamber obtained the float, which depicts four season recreation in the area, some two years ago and since that time it has fared well with parade judges throughout northern Michigan. This most recent honor marks the eleventh time it has been judged to be best in its class.

The float is scheduled to appear in many other local festivals in northern Michigan this summer, including our own Milltown Parade in early August. (Photo by Diane Swift)

Dear Mr. Madsen:
This letter is directed to all registered voters in Crawford County.

What do you really know about the so-called "Tax Shift Plan", which you will vote on, on May 19, 1981? Why the secrecy? Why the refusal to also place the Tisch amendment on the same ballot? Do you realize that the 50% planned reduction on Property Tax, which the politicians and other media refer to, is a false statement.

The 50% reduction applies to operating millage only. It does not apply to millage for Bonded Indebtedness, such as School, County or College. Consequently it cannot be a 50% reduction. Further, it is apparently being debated whether millage "Special Voted", such as that for Fire Departments, Public Transportation, Senior Citizens, Garbage, etc., may also be categorized as Bonded Indebtedness.

Many downstate people who own additional property in Northern Michigan are apparently under the belief that the Tax Reduction will apply also to this property. The Tax Reduction plan will apply only to the residence-property. In fact, should you also own other pieces of property, those separate parcels will not be

Guest Speaker at St. Francis

St. Francis Episcopal church of Grayling was host to the committee for Town and Country churches on May 5, 1981.

It consisted of a workshop for the committee of the Episcopal Diocese of Michigan.

St. Francis served a delicious luncheon at noon for the group.

A highlight of the day was the presence of the Arch-Bishop, the Most Reverend Timothy O. Olufosoye and his wife from Nigeria. The Arch-Bishop spoke on "Small church life in Nigeria" one of the statements he made was there isn't any electricity in Nigeria except in the large cities, and the people are in great need of reading material. We also had the honor of having Bishop Gordon present.

Father Derick Roy and his family were welcomed to the community, he stated his duties as priest of St. Francis Church.

After the work shop and business meeting was conducted the group adjourned at 3:30 p.m. after a very interesting day.

Mercy Hospital Auxiliary

The Mercy Hospital Auxiliary monthly meeting will be held May 14th in the North Wing at 1 p.m.

The spring meeting of the North Central District of the Hospital Auxiliary was held in Alpena, Tuesday, May 5th. 21 members attended from Grayling in spite of the rain.

After a tasty luncheon and meeting, we all joined in the exercise program.

Candidate For an Award

IRVINE, CA.—Century 21 International Headquarters announced today that Carol Thompson, broker/co-owner of Century 21 River Country Real Estate, Inc. is a candidate for the prestigious Achievement in Management TM (AIM) Award.

The AIM Award is presented annually to a select group of outstanding broker/owners within the Century 21 organization, and is the highest honor an affiliated Century 21 broker can receive. The primary criteria for selection as an AIM Award winner are exceptional service to the community and increased production.

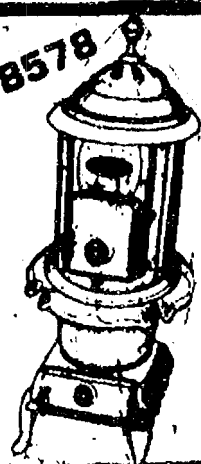

The AIM candidate must meet certain standards, over a one-year period, to qualify for the AIM Award. These standards include increased production, on an individual salesperson and office basis, upgrading of office and facilities, and increased personal and professional growth.

Century 21 is the largest real estate sales organization in the world, with more than 7,500 affiliated offices and more than 75,000 salespeople across the North American continent.

Century 21 River Country has been serving Crawford County communities since September of 1979.

To The Editor:
Well the state has done it again, gave us a tax proposal to vote on, which is unjust and unfair. It only gives a reduction on your residence. In six or seven years the valuation will be back up to present valuation. It does not help the small businessman who has to collect the sales tax and keep books for the state.

It does not take a genius to figure out what will happen to resort property in Michigan.

I have no objection to sales tax or income tax to finance public schools because property can not carry the burden, but property tax reduction must be across the board for every taxpayer.

It looks as if our governor and legislatures are bound and determined to make this a total welfare state. Big business is leaving this state because of burdens imposed on them by state and federal laws. Now they want to start on the small businessman. If it were not for agriculture and tourism we now would strictly be a welfare state.

As I said before we have to have other means of financing education other than property tax. Years ago it was fine, but our problems started in 1930 when we started consolidating schools. Costs started going up, academic standards started going down and we started losing strong stern discipline to the point today we no longer have it. As to discipline don't put all the blame on the teachers because their hands are tied; due to the decisions of the weak kneed, incompetent judges in our judicial system, both in state and at the federal level.

What we need in Lansing is a knowledgeable and dedicated legislators and a responsible governor. There are three things that must be done if this state is to become prosperous.

No. 1-A good sound way of financing education other than property tax.

No. 2-A strong land use program.

No. 3-Revision of the Workman's Compensation Law (which is one of the great burdens business has).

BRICKLEY ADDRESSED TIMBERMEN—Lt. Governor James Brickley was keynote speaker when the Michigan Association of Timbermen met for their annual conclave May 1 & 2 at Grayling's Holiday Inn.

"Wealth is created in the field and forests and minds," Brickley told the gathering, "you are working hard in a tough business, but nobody is going to take away our trees and the expertise that's contained in this room." The Lt. Governor briefed the group on forest industry developments in the state, including major construction projects in the upper peninsula, one a half-billion Champion Products plant in Escanaba.

During the two-day conference, participants attended a variety of in-house seminars, covering topics like investments, safety, timbermen's insurance programs, burn-out and stress management and preservation of capital. (Joe Schrader photo)

The 1981 Junior-Senior Prom will be held Saturday, May 16 from 9:00-1:00 a.m. at the Holiday Inn. The theme for this year's event will be "Stairway to Heaven", and the band, Trend, will play. Tickets are \$13.50 per couple. The prom will be very similar to past proms except for the addition of the Garter Ceremony. As by tradition, the prom will be exclusively for juniors and seniors, although underclassmen may attend if they are invited by upperclassmen. It is the job of the juniors to organize and decorate for this event, and the 1981 Prom looks to be a good one.

Another event happening at this time is the Outdoor Education class trip to WaWa, Canada. The one semester class, taught by Mike Wieland, has been making preparations for the trip. The students have been repelling off the wall, tying knots, learning which foods in the wilderness are edible, and improving their first-aid skills. Approximately fifteen students will be going on the trip, which takes place May 8-17. They will repel off of waterfalls, cliffs, and mountains, and hike approximately eight hours per day. Students will take tents, sleeping bags, first-aid kits, food, backpacks, and other necessary gear to aid in their test for survival.

Hear the Band

Our Spring Concert is here and it is the last one for our Seniors. We have many songs planned along with the choir, who will be joining us. Also, we will be passing out the Band Awards that night. The concert is on the 14th of May and we hope to see you all there. We have been working long and hard for this and we hope you will enjoy it.

The band is also planning a Band Banquet for May 26th. This will be a time for all band members and their friends and relatives to get together to see what the band has done throughout the year. Mr. Harris is planning on giving out more awards then as some of the awards are based on the entire year.

We are still planning on having the Reef Petroleum Big Band come to Grayling and play for all who can come. We are not positive on the date but are planning for the end of May.

Don't forget the Concert, it will be a night to remember! By: Terri Pijolek.

Completes Naval Training

Navy Fireman Apprentice Gerald L. Hawkins, son of Theodore J. and Joyce G. Hawkins of Grayling, and whose wife, Cindy, is the daughter of John and Dorothy Patnode of Roscommon, has completed recruit training at the Naval Training Center, Great Lakes, Ill.

During the eight-week training cycle, trainees studied general military subjects designed to prepare them for further academic and on-the-job training in one of the Navy's 85 basic occupational fields.

Included in their studies were seamanship, close order drill, Naval history and first aid.

A 1980 graduate of Grayling High School, he joined the Navy in February 1981.

"WE CARE ABOUT YOU"

Doodles From The Tall Timber

By Wendall Hoover

A look at my May calendar leaves little doubt as to what I will be doing. Each working day is scheduled with school groups coming to the Hartwick Pines for a guided hike or tour. The groups vary in size from a class of 12 to several classes numbering as many as 90 students. They sometimes come long distances and some teachers bring their classes every year. Schools from as far away as Toledo and the Soo come to see this remnant of yesterday's forest, but usually they are from schools in Traverse City, Saginaw, Clare, Gaylord, Bay City, Kalkaska, Roscommon, Mt. Pleasant, Mio, St. Clair Shores, Evart, Lansing, or Mancelona, to mention a few who come to walk, look and listen.

A guided hike is more than just a walk; it is a journey into yesterday when Pine was king and men were calked boots. It is an introduction to the words that the "Shantyboy" used to describe the food he ate, the tools he used, the jobs he performed, and even the clothes he wore. True stories of daring, heroics, death, and just plain hard work serve to make history come alive for youngsters who in some cases never knew there were trees 150 feet tall and those stories told by Grandpa or Grandma are fact, not fiction.

On any weekday in May, say mid-morning or early afternoon, we will be in the Tall Timber. If you want to watch the wonder in a youngster's eyes, come join us.

Completes Army Course

Army Pvt. Floyd E. Goddard Jr., son of Mr. and Mrs. Floyd E. Goddard Sr. of 206 Mikado, Grayling, has completed a tracked-vehicle repair course at Aberdeen Proving Ground, Md.

During the course, students were trained to repair engines, transmissions, and the fuel, electrical and hydraulic systems of the Army's tracked vehicles. They also learned to perform recovery operations for abandoned, damaged, disabled or mired vehicles.

Volunteers Are Special

Once again this year, there have been many "special" people involved in the Volunteer Aide Program at the Crawford AuSable schools. The volunteers have spent many hours this year giving their time and talent helping out in the schools. In appreciation, there will be a luncheon on May 21, Thursday, at the Chief Shoppenagon's Hotel to recognize all the volunteers for their continuing interest in children. The volunteers' tact, patience, understanding, kindness, warmth and sense of humor have been important to the children and have helped make the volunteer program a success. Guest speaker will be Dr. William Diedrich, Superintendent of the Crawford AuSable schools.

The "special" people who have helped this year are: Matilda Paulsen, Alice Moore, Donna Thomson, Ray Butler, Shirley Holcomb, Angie Hoover, Greta Moore, Margaret Douglas, Oliver Kesti, JoAnn Methner, Janice Bidwell, Angela Kirkum, Dorothy Witter, Jean Harwood, Mary Phelps, Marge Harwood, and Emily Robinson.

Also Edris Sorenson, Darlene Jensen, Beverly Ohsowski, Donna Pratt, Rose Ann Owens, Sallie Granger, Thelma Hunter, Errol Martinsen, Marie Reeves, Gayla Lord, Pam Cowie, Ann McMillan, Nancy Kortess, Ann Doten, Dee Crull, Tonnie Laundre, Linda Borgondy, Donna Carmean, Pat Lugviel, Alfreda Kamp, June Ginther, Marilyn Rosi, Sally McNamara, Nancy Spears, Judith Mesack, Paul Mesack, Clara Phillips, Karen Willoughby and Debra Lob-singer.

Also Kathryn Timmins, Sue Stockwell, Vicki Williams, Cindy Messenheimer, Donald Pyyzbyla, Stuart Gregory, Jackie Leas, Gail Hunter, Jacalyn Parker, Cindy Green, Janet Gorman, Joe Meredith, Dorothy Steere, Carrie Ruggles, Faye Hartley, Mitchell Linendoll, Kathleen Burkley, Dianne Christman, Colleen Wyss, Gloria Campbell, Linda Bentley, Lou Besonen, Jane Robinson, Susan Montgomery, Tricia Halstead, Marie Ellingboe, Valerie Lehti, Rose Morehead, Debra Fedewa, Sophie Naujakas.

Bits O'Talk

By Fay Beeve

Guests of the Art Thayers last weekend was her daughter, Allison, of Saginaw.

We welcome to the community, Mr. and Mrs. Mike Finkbeiner, of Lapeer, who will make their home here. Mike is in charge of the deli section of the new River Valley Foodland. Good luck on your new venture, Gary and Pat McLaughlin and Mark and Marilyn Hartman!

Mr. and Mrs. Ralph Kaseman have returned to their AuSable River home after spending the winter in Silver Springs, Florida. They are glad to be home.

Mr. and Mrs. Hal Walker returned to Grayling from their Zephyr Hills, Florida home which they were getting settled during the winter months. Visitors during the winter were his cousins, Mr. and Mrs. David Saxon and Mr. and Mrs. Dean Yates of Mayfield, Kentucky, who spent a week; her mother, Mrs. Grace Wilson of Long Beach, California, and Marge's sister, Mrs. Donald Huber, of Eugene, Oregon, who also spent a week; and Mr. and Mrs. Melvin Nielson of Vero Beach, Florida, who visited for a couple of days.

Cliff Bonamie was met at Metro Airport on May 1 and spent the week here visiting. His wife, Julie, and family, who have been visiting, will accompany him back to Gainesville, Florida when they fly out of Tri-City this Friday. Their daughter, Amber, celebrated her first birthday on March 25 while they were here and the past weekend they all had a family get-together at the Les Goss home.

Also visiting for the weekend were Gail Reed and Mrs. David Goss and son, Mike, all of Traverse City.

Mr. and Mrs. Dale Pettengill spent the winter at Ft. Walton Beach, Florida, and now have returned to their Maple Street home.

Mrs. Ruth Robertson and her daughter, Mrs. Sylvia Krausz of Portland, spent a couple of days in Grayling recently.

Mr. and Mrs. George Griffith returned from the winter months spent in Pompano Beach, Florida. During the winter they also took a trip to the Cayman Islands.

Welcome back to Grayling, Brad and Pauline Jarmin, who have returned home to Grayling after an absence of many years. They will live in the former Cinciala home on Lake and Spruce.

Holly A. Knibbs received a Master of Business Administration degree during commencement activities at the George Washington University, Washington, D.C. on Sunday, May 3. Her mother, Mary Jane Knibbs, attended the ceremony, as well as a party given in Holly's honor at Mr. Henry's in Georgetown, Washington, D.C.

Word has been received by her parents that Dena Beeve, a faculty member at Northern Michigan University, Marquette, has received a promotion from instructor to assistant professor starting in August.

Mike and Leesa Hodges of Detroit were weekend guests of her parents, Mr. and Mrs. Jack Trudgeon.

Mr. and Mrs. Harold Christian of Lansing spent the weekend with his brother and wife, Mr. and Mrs. LeRoy Christian.

MR. ANDRUS' CLASS MAKES KITES—At Grayling Elementary School on April 10, Mr. Andrus' class made kites. Getting into the steps on how to make a kite. First we were given two sticks which were cut by Mr. Martella's class. Second we wired the sticks together. Third, we put string through the notches which had been notched by Mr. Andrus and then we tied the string together in a square not. Fourth, cut out a piece of paper and we had to cut it out one inch bigger than the paper was. Fifth, we pasted the paper to the sticks. Six, we had the choice of painting on a picture or coloring on a picture. Seven, we put the tail on. Eight, we rigged it and finally we tried to fly them. by Melanie Ojala

Health Quiz

This is a health quiz to test your knowledge on common health problems and first aid treatments. Please select one answer for each question, and look below for the correct answers and rationale. This quiz is for your own learning, but you can have fun while you do it.

- What is the initial (immediate) first aid treatment for first and second degree burns?
 - Put an ointment on the burn.
 - Immerse in water, or apply cold water applications.
 - Apply a dressing.
 - None of the above.
- Symptoms of increased thirst, increased urination, and increased hunger may be an indication of:
 - Hepatitis
 - Diabetes Mellitus
 - Cholecystitis
- For a person who has frostbite all of the following are correct guidelines to follow as first aid treatment except one, which one is the exception?
 - Rub the part (frozen area).
 - Do Not apply heat lamps or hot water bottles.
 - Do Not break the blisters.
 - Rewarm the frozen part quickly in water between 102-105.
- A progressively severe generalized or upper abdominal pain, which within a few hours becomes localized in the right lower quadrant of the abdomen (stomach), and may be associated with a low grade fever and vomiting could be an indication of:
 - A Urinary infection
 - Colitis
 - Acute Appendicitis
- All of the following should be done as additional first aid treatment for the frostbite victim except one, which one is the exception?
 - Cover the frozen part (area).
 - Give the victim a warm drink.
 - Discontinue warming the victim as soon as the affected part becomes flushed.
 - Apply dressings.
- Symptoms of urgency, frequency, burning and pain on urination could be an indication of:
 - The Flu
 - A Urinary Tract Infection
 - Hemorrhoids
- All of the following except one are first aid steps to take when a person has swallowed a poisoning and you DO NOT know what it is, which one is the exception?
 - Induce vomiting.
 - Dilute the poisoning with water or milk.
 - Try to find out what poison has been swallowed (find the original container).
 - Get medical help immediately.
- A Tetanus Booster should be given every _____ years after the initial 3 doses in early life.
 - 2 years
 - 10 years
 - 20 years
- All of the following except one are first aid steps to take for poisoning treatment when you DO know that the victim has not swallowed a strong acid, strong alkali, or petroleum product, but do not have the original container, which one is the exception?
 - Dilute the poisoning with water or milk.
 - Induce vomiting.
 - Throw original container away.
 - Get medical help immediately.
- All of the following are first aid treatments for an open wound except one, which is the exception?
 - Stop the bleeding immediately.
 - Provide treatment for shock.
 - Obtain medical attention.
 - Do not apply a dressing to protect the wound from contamination.

Answers To Health Quiz

- b. Ointments are not used because this would only worsen the damaged area. A dressing may be applied, after the application of cold, to prevent contamination. The initial application of cold gives relief from pain and restricts local tissue swelling and damage.
- b. These symptoms may indicate a condition known as Diabetes Mellitus, and require immediate attention from your doctor.
- d. The frozen part should not be rubbed because this may cause gangrene. Breaking the blisters also should not be done because this may cause further complications such as infection. Heat lamps and hot water bottles should not be used because this may cause burns of the frozen part. Therefore, rewarming the frozen part is the correct answer to bring the frozen area back to its original state and to increase blood circulation to the area. It is important to use water between 102-105 to prevent the possibility of burning the area.
- c. These symptoms may indicate acute appendicitis and require the immediate attention of your doctor.
- d. Normally dressings are not applied unless there are open wounds and the victim has to be transported for additional medical care. It is important to remember when rewarming the affected area to stop when the area is normally flushed to help prevent or decrease the amount of swelling that occurs after thawing.
- b. These symptoms may indicate the presence of a urinary infection and require immediate attention from your doctor.
- a. You do not want to induce vomiting in case the victim has swallowed an acid, alkali, or petroleum product to prevent burns of the throat, mouth, and/or lips. Finding the original container will help the doctor in his treatment of the victim. Having the victim drink water or milk will dilute the poison.
- b. After the three Tetanus boosters early in life it is only necessary to have additional boosters every 10 years. If however, you are bit by a dog, step on a nail, cut yourself with broken glass, etc., and the wound becomes infected or is not healing properly you may want to see your doctor.
- c. When it is known that an acid, alkali, or petroleum product has not been the cause of poisoning, inducing vomiting helps to rid the body of that poison. Finding the original container and seeking medical advice are still necessary even if the victim vomits.
- d. A clean or sterile dressing should be applied to prevent infection. Bleeding should be stopped to help prevent shock and medical advice should be obtained.

BREAK OUT OF YOUR SHELL

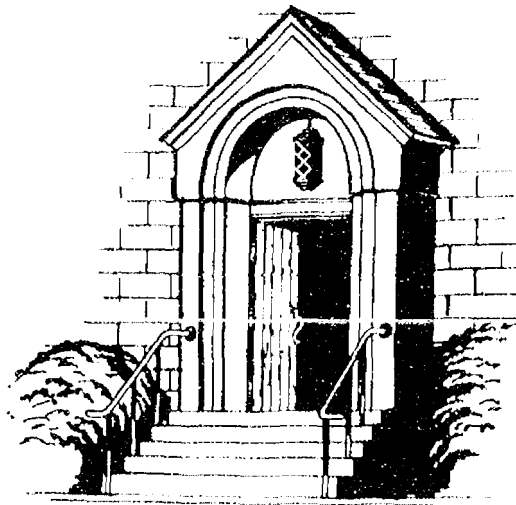

If anyone is an expert at bringin' new folks to church it's Charlie Reeger. Last week Charlie had a neighbor there who hadn't — as the expression goes — darkened a church door in years.

"The secret's simple," says Charlie. "Most people who don't worship God — it's not that they don't believe. Just that their weekend routine has become a shell shutting them off from God."

Charlie says he's no great evangelist. He's just warm and friendly and very positive about the importance of faith. He invites folks to church. God does the rest.

One of these mornings a very compelling voice within you may say: "Break out today... break out of your shell and join Charlie Reeger in church."

That can be the beginning of a new life!

Editor's Mailbox

Crawford County Avalanche
Grayling, Michigan

To The Editor:

On April 24th the Legislative Policy Committee of the Michigan Townships Association recommended to the M.T.A. Board of Directors that the Board take a neutral position regarding Proposal A and inform and educate the constituents in the Townships of the ramifications of this tax plan. Considerable discussion was held by the Board regarding Proposal A. In my opinion no member really came out in full support of the proposal, yet when it came to a vote only a few of us voted in opposition to accepting the committee report. As a result M.T.A. is on record as taking a neutral position. My personal belief is that M.T.A. has failed Townships in not providing a more definite leadership role on this question.

During the course of discussion it was brought out that M.T.A. could not afford to oppose the Governor or the Legislature on this issue. Unofficial word has filtered down that if M.T.A. expected to obtain legislation in the future it would be best to support Proposal A. I find it very interesting that in the May 6 issue of the Bay City Times it was reported that the Michigan Association of Counties Bd. of Directors received the same unofficial word not to oppose "A". I applaud their Board for rejecting their committee report and going on record in opposition to Proposal A.

Recently Local Governments were ordered by Act 6 of 1981 to mail homestead exemption affidavits to owners of improved residential and agriculture properties. Few units of government are equipped to make selective mailings without hours of extra work. Grayling Township, being on a computer system, was able to have print-outs made by property class. The cost of this program statewide has been estimated at 1.5 million dollars. This early mailing before the fact may well mean 1.5 million down the drain if the proposal fails. Such use of tax dollars represents to me a State Promotion Effort in support of Proposal A. I did not like use of tax dollars to defeat Tisch and I do not approve of this latest effort.

Since the proposal was initiated one could read or hear any day about the 50% tax cut. By no stretch of the imagination is such a simple statement even close to the truth. I have witnessed very little effort by the State to correct such reports. The proposal would reduce by 50% homestead property taxes used for operating schools and local governments. Reduction limited to \$1400.00 in 1981 and changed yearly as home values change. Reduce by 50% local individual income taxes on first \$40,000.00 of taxable income.

For those who receive full exemption under the present, "Circuit Breaker" tax refund the proposal will only increase their sales tax. The 6% limit on tax revenue growth is not much different then the "Headlee Amendment". Most of us know that by the time the Legislature was finished the Headlee did not really accomplish what it intended to do. This 6% limitation really offers no protection to the individual property owner that their taxes can't increase many times for the simple reason that the limitation is on all property in one class and not on individual properties. Headlee was not allowed to work so I don't believe the 6% limitation will either.

It is my further belief that Proposal A does not accomplish what the people of Michigan are and have been asking for. It should have been clear after the November election that the people wanted a true tax reform package. For what ever reason, the State is proposing that we accept something far less. Failure to allow the Tisch proposal to be placed on the ballot concerns me because as Senator Welborn stated, "What we are doing here is trying to pacify the voters with a choice of a few politicians, rather than giving the voters of this state what they really want, a tax cut; a tax cut of their choice."

The actual ballot proposal reads pretty good but I am more concerned about what it doesn't say. With the track record of our State Legislature who knows what it will really do after all implementing legislation is passed.

My vote on Proposal A on May 19th will be "NO".

Sincerely,
B.J. Fowler, Supervisor
Grayling Township

SUPER NEW! SUPER FUN!

MORE WINNERS! BIGGER PRIZES! MORE CHANCES TO WIN!

You could win up to \$1,000,000!

This brand-new weekly \$1 lottery game has been designed to give you more chances to win. In fact, weekly prizes range from \$10 to \$5,000 cash. But the biggest prize of them all is the Superplay Grand Prize Drawing...with a top prize of \$1,000,000.

We gave Michigan a facelift

This updated weekly lottery game gives you more playing options than Michigan. For \$1, you'll have a lot more chances to win, and you'll have a lot more fun. In fact, if you buy a continuous strip of 10 tickets, winning at least one free ticket is guaranteed. That makes Superplay different from any other game!

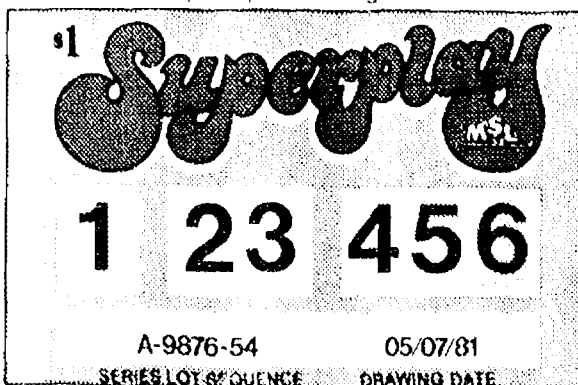

Here's how you play

Compare the numbers in the red, white and blue boxes on your Superplay ticket with the winning numbers announced each week. If your numbers match in exact order, you win the following prizes:

| Match | Win |
|--------------------------------|--|
| Red Box, (one-digit number) | One free ticket |
| White Box, (two-digit number) | \$10 |
| Blue Box, (three-digit number) | \$100 |
| Red & Blue Box | \$500 |
| White & Blue Boxes | \$5000 |
| All 3 boxes | Entry into Superplay Grand Drawing Finals. |

Guaranteed winnings, \$10,000 to \$1,000,000.

A Superplay Grand Drawing will be held when there are 10 claimants matching all three boxes. One prize per winning ticket.

Watch for the weekly winning numbers in your local newspaper or at local Lottery agents.
Play "Superplay"...A completely new weekly \$1 Michigan Lottery game.

See local newspaper for information on this game and its odds, or how the Michigan Lottery revenues are used. Send a 10-cent postage stamp to Lottery Information, P.O. Box 36023, Lansing, Michigan 48909.

Join the Superplayers

Be a Superplayer every week from the comfort of your own home. Choose any of these play-by-mail subscription plans:

- 11 weeks (\$10) • 23 weeks (\$20)
- 52 weeks (\$45)

You get up to seven weeks free, and you're entered in each weekly drawing. If you win a prize, it's mailed to you automatically. Superplay subscriptions are available at all Lottery agents.

Play as a group

A Superplay Subscription is the perfect way for 2 or more people to play as a group. Get the gang to form a Lottery Club; split the cost and share your winnings!

Lottery Introduces New Weekly Game

A colorful new red, white and blue \$1 weekly lottery ticket goes on sale Tuesday, May 5, 1981. It is called "Superplay" and features a six-digit number and prizes up to \$1 million. "Superplay" replaces the familiar 50-cent weekly "Michigan" that has paid out millions of dollars in prizes during the last four years. Lottery Commissioner William M. Nugent said, "It was time for a change. The new \$1 weekly game offers more and larger prizes while preserving the spirit of fun and excitement that made Michigan a success."

The new "Superplay" ticket shows a one-digit Red Box, a two-digit White Box, and a three-digit Blue Box. Players win tickets and cash prizes depending on which boxes they match. "Superplay" weekly number drawings will follow the schedule established by "Michigan", originating from the studios of WDIV, Channel 4, in Detroit, each Thursday evening at 7:45 p.m.

Players are guaranteed a free ticket winner whenever they purchase ten continuous tickets (still attached together and sequentially numbered).

"Superplay" subscription players that match the one-digit Red Box will automatically receive one of the following:

In-state subscription players will be mailed a \$1 coupon for each free ticket they win. These coupons are redeemable in lottery tickets at any sales agent location.

Out-of-state subscription players will have their "Superplay" subscription extended one week for each free ticket they win.

"Michigan" subscription players with weeks remaining as of the start of "Superplay" will be automatically converted to the new game unless they request a cash refund on the unplayed balance of their subscription.

When a "Superplay" ticket matches the boxes in more than one prize category, it receives the largest single prize it qualifies to win. For example, a Red and Blue Box match wins \$500; it does not also win a free ticket for the Red Box and \$100 for the Blue Box match.

A "Superplay" Grand Drawing will be scheduled when ten (10) finalists have been validated as having matched, in sequence, all three boxes on their tickets. The time, date and location of each drawing will be announced by the Commissioner. The drawings will be free and open to the public. Prizes will range from a minimum of \$10,000 to a maximum of \$1 million.

Bits O'Talk

Tom Welsh was at the GM Tech Center from Monday to Wednesday during the first week of May for a training workshop on the computers which have been installed in the Cadillacs.

Kitty and Jim Lorensen proudly announce their marriage which took place in Lyons, Colorado, on Tuesday, April 21, 1981, with the blessings of their parents, Bob and Katie Funk of Grayling and Lauree Lorensen of Charlotte, N. Carolina.

Mr. and Mrs. Warren Reed of Millington and Mr. and Mrs. Leads BuBois of Vassar came for the weekend and to attend the graduation of Brian DuBois from Kirtland Community College on Friday evening. The Reeds stayed with her sister, the Tom Welshes, and the DuBois with her mother, Mrs. Thelma Bebow.

Mr. and Mrs. Robert Funk attended the well drillers convention in Port Huron and then continued on to Royal Oak where they stayed with her sister and husband, Mr. and Mrs. Ralph Clingan. Mr. and Mrs. William Boone of Grayling also attended the well drillers convention while their children visited their grandmother.

Mr. and Mrs. Ernest Stahl have returned to their Grayling home after spending the winter months at their home in Punta Gorda, Florida.

Mr. and Mrs. Earl Nelson returned to their home on Lake Margrethe after spending the winter months in their Leesburg, Florida home. Enroute home they visited in Pontiac, Lansing and Mason with their three sons and families.

Ezra and Ruth Sanders former Frederic residents, are both in the Vicksburg, Michigan Franklin Memorial Hospital. They are both improving and hope to get back home in Burr Oak very soon.

Sportsman's Club To Help Students

School children in Grayling will be learning a great deal about conservation this coming school year, thanks to a contribution from a local sportsman's organization.

In a continuing effort to promote conservation education, the Grayling Sportsman's Club, an affiliate of the Michigan United Conservation Clubs (MUCC), has purchased Tracks magazine for use in Grayling Elementary School. This is the second year that the club has furnished the school with Tracks.

Tracks is a monthly conservation reader produced by MUCC. It is aimed at upper elementary and junior high school readers and seeks to give young students an understanding and appreciation of the natural world. Each month, Tracks focuses on basic conservation concepts, the habits and habitat of wildlife species, ecology, outdoor activities, nature lore, and much more.

Tracks is produced from September to May. It is available in classroom subscription of 10 or more copies for \$1.50 per student. A free teacher's activities guide is included each month. Tracks are also available in individual subscriptions for \$5. For more information, contact Tracks, MUCC, Box 30235, Lansing, Mich. 48909. (517/371-1041)

Thump Vikes in Twinbills

The Viking baseball team lost a pair of doubleheaders last week to league opponents, losing to Charlevoix on Monday, 13-2 and 10-1, then dropped both ends of a doubleheader to Petoskey on Thursday, 9-3, 9-2.

The losses dropped the Viking record to 1-2 in the league, 2-4 overall.

Charlevoix clubbed four homers off Grayling hurlers in the doubleheader, with the winning pitcher in the first game, Loper, slamming three. Brad Trenary, who took the loss for the Vikes in the first game, banged out two hits, including a homer. Ted Methner, Monty D'Amour and John Juntilla recorded Grayling's other safeties. D'Amour took the loss in the nightcap.

Petoskey scored seven unearned runs in the first two innings enroute to their 9-3 opening game win on Thursday. Walks and critical errors hurt the Vikes, who were led at the plate by Bill Roach, two for three, and Juntilla, who went one for three.

Trenary took the loss and was relieved by Jeff Kortis in the second inning. Dale Willis was winning pitcher for Petoskey.

Juntilla and Joel Money each collected a hit in two trips in the second game for Grayling. Kortis took the loss and Steve Hewitt was winning pitcher for the Northmen.

The Vikes will face Roscommon Thursday afternoon at 4:00 p.m. at home in a pre-district qualifying contest.

Strolling Around Town

By Fay Bovee

If you have a neighbor that you think deserves a bouquet please let me know—no one is missed intentionally.

Two homes on Michigan Avenue, the Ed Funks and the Gary Foxes have done some pine tree trimming in their yards and are reseeding lawns. Also we were informed that another home in the 600 block on Michigan has been purchased and the owners have plans for remodeling.

On the business loop, the Callahan station has a complete new front, very visible from south on the loop. The second old "ice-house" on the railroad is almost finished outside—a great improvement.

The George McEvers on Park Street have a new outside deck for those summer outings.

The Beautification Committee is still hard at work on their plans and the clean-up week has been set for May 26. You don't have to wait for it though, just keep up the good work that you have been doing this spring. If your home and yard are neat and there is someone that is unable to do theirs, why not volunteer to do it for them. Some donations are coming in for which they are very grateful, so keep them coming. It will all be used for your community. Even if you're not in business, a good business climate benefits everyone.

The Coyote

These tough, wily animals eat anything: Rabbits, rodents, and carion form most of their diet. The USDA says coyotes are responsible for most of the million or so sheep and lamb losses to predators each year.

Your Week Ahead Horoscope

Forecast Period: 5/17 - 5/23/81

- ARIES**
